The "**Grief Relief**" support group will be facilitated by Chaplain James Gunnuscio comes to us from **Encompass Home Health and Hospice**. He prefers to be called "Jim."

Jim will be the Bereavement/Outreach Coordinator for Gillies Funeral Chapel. I am Jim Gunnuscio, I have been a Chaplain for four years. Right after I finished Ministry School. It was just volunteer work. All of my working career I have in some type of medical sales. I took a leave of absence from my job at the time and really evaluated what I was doing and why I was doing it. That is when I decided I needed to be a full time Chaplain. I love what I do and I feel it is an honor to be with an individual and their families at a very difficult time of their lives. I am so blessed by the families I meet. I currently work for Encompass Hospice in Ogden, Utah. I have been married for 38 years to the most wonderful women in the world, MaryAnn and together we have seven children one passed away when she was five years old. We also have nine grandchildren. We live in Woods Cross, Utah I love fishing, gardening and reading.

The "Grief Relief" support group is an open group which means that teens or adults who have experienced the loss of a loved one in their lives can attend the group at any time. The group will continue to meet on: **For Questions or concerns related to participating in the "Grief Relief" support group please contact: Gillies Funeral Chapel at (435) 723-5236.**
